

to strengthening our community by educating, supporting and empowering individuals and families, she has helped to shape the many programs and services offered to their clients. From Head Start, early education, and heating and energy assistance to child care, housing, financial, employment, and holiday assistance as well as elder services, Diane has helped individuals and families navigate what can be a difficult and complex social service delivery system.

Diane's dedication to community involvement extends far beyond her professional life at TEAM. A board member of the Lower Naugatuck Valley Boys & Girls Club, Ansonia's Elderly Services Commission and the Valley Juvenile Review Board, she also dedicates her personal time to enriching the lives of others. Diane is an original board member of the Valley United Way, Griffin Hospital and BH Care. She was formerly on the Ansonia Board of Education, past president of the Derby-Shelton Rotary Club, and an active member of her church. Diane embodies a spirit of community service that we should all strive to achieve.

I would be remiss if I did not extend a special note of personal thanks to Diane for the assistance and guidance that she has provided to myself and my staff over the years. From providing local data on programs and services to helping to organize events, Diane has always been only a phone call away. I consider myself fortunate to call her a friend and cannot thank her enough for the support and camaraderie she has shown to me.

I am honored to stand today to pay tribute to Diane Stroman for her invaluable professional and personal contributions to our community. Her good work and advocacy has helped hundreds of our most vulnerable families achieve economic and social stability. While her retirement marks the end of an extraordinary career, I have no doubt that Diane will continue to find ways in which to engage and make a difference in the lives of others. I wish her, her children, and grandchildren the very best for many more years of health and happiness as she begins this new chapter.

Mr. CARTER of Texas. Mr. Speaker, I rise today to celebrate Mrs. Karen Sheldon for her sixteen years of service on the Georgetown, TX Chamber of Commerce. Karen's untiring commitment to making Georgetown a great place to live and work represents Texas values at their best.

After joining the Georgetown Chamber of Commerce in 2002 as Administrative Assistant, it was clear that Karen's hard work and dedication to the Chamber were unmatched. During her tenure, she served in many roles including Director of Development, Vice President, and Executive Vice President before being named Chamber President in 2014. Her time as President was focused on guiding the success and growth of her beloved community through advocacy, education, and civic engagement.

Karen's work in public service wasn't confined to the Georgetown Chamber of Commerce. She has continuously strived to make Georgetown a better city by serving on multiple boards and volunteering with numerous organizations. When she is not working for her community, Karen is a loving sister and proud mother of two daughters.

Retirement is meant to be celebrated and enjoyed. It is not the end of a career, but the beginning of a new adventure. HONORING AND REMEMBERING  
THE LIFE OF MR. JOSHUA  
WUNSCH

**HON. JACK BERGMAN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 16, 2018*

Mr. BERGMAN. Mr. Speaker, it's my honor today to acknowledge the life of a devoted community leader and loving father and husband, Mr. Joshua Wunsch, who passed away at the age of 69 on April 25, 2018, surrounded by his loved ones.

Josh was born in Traverse City on November 7, 1948, to Ellis and Ann (Donald) Wunsch. A third-generation Grand Traverse County farmer, Wunsch, along with his wife Barb, son Isiah, and daughter Adele raised apples, tart cherries, and sweet cherries on their family orchard. Wunsch's passion for the trade was evident in his roles with the Michigan Agricultural Commodities Marketing Association (MACMA) and the Michigan Farm Bureau (MFB). He was first elected to the MACMA board in 1988, becoming Vice President in 1999. There he worked to promote and protect the Michigan apple industry until his retirement in 2011. On the MFB board, Wunsch was District 9 Director from 1988 to

2011, served as MFB Vice President from 2006 to 2009, served on the MACMA Board from 1989 to 2011, and served on its Executive Committee and as Vice President from 1999 to 2011.

In 2012, Wunsch received the MACMA Apple Division Distinguished Service to Agriculture award. In addition to his work with the MACMA and MFB, Josh was a board member of Shoreline Fruit Inc., Sleeping Bear Co-op, Traverse City Cherry, and Cherrco Inc. As a leader in his community and industry, Josh was well-known for his knowledge, expertise, and willingness to mentor others, and his dedication made him one of the most respected growers in Michigan agriculture. When not in his orchards, Josh loved to travel, enjoy Michigan's beautiful outdoors, and spend time with his family.

Mr. Speaker, Joshua Wunsch's impact on Northern Michigan cannot be overstated. His family and community can take pride in knowing that the state of Michigan is a better place thanks to his life's work. On behalf of Michigan's First Congressional District, I ask you to join me in recognizing an outstanding community leader whose contributions will continue to bless Michiganders for many years to come.

RECOGNIZING THE 10TH ANNIVERSARY OF FERN CARE FREE CLINIC

**HON. SANDER M. LEVIN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 16, 2018*

Mr. LEVIN. Mr. Speaker, I rise today to recognize the 10th Anniversary of FernCare Free Clinic. FernCare is a nonprofit free healthcare clinic located in the City of Ferndale, MI. The clinic specializes in the treatment of individuals without healthcare coverage and helps eligible, uninsured people obtain coverage through the Federal Marketplace or through Healthy Michigan, a Medicaid plan created thanks to the Affordable Care Act. The clinic is open for medical services four days each month, and provides counseling services twice each month.

In 2008, a group of concerned citizens in Ferndale decided to open a free health care clinic under the direction of Ann Heiler, to serve the uninsured members of their community. Two years later, FernCare first opened as a pop-up clinic at a local community center, requiring volunteers to set up and tear down the operation each day. In 2009, I was honored to support FernCare's successful efforts to obtain a grant through the U.S. Department of Health
